

**PropOne**<sup>TM</sup>  
Ahead in performance

# Performance, applied

Increase speed and  
lower fuel consumption  
with the No.1 foul release  
coating for propellers  
and running gear.

PropOne<sup>TM</sup> is a non-biocidal coating which prevents sea life adhering to propellers and underwater running gear. With thousands of proven applications each year, PropOne<sup>TM</sup> will save you time and money.
